Great Great Grand Father - (13rd Generation)

冠球公, eldest son of 仕楊公.

Born: 1842 AD Died: 1900 AD (Age 59)

He left 3 sons and 6 daughters. Our Great Grand Father was his third son.

Four wives listed, 2 of them from the Provincial Capital, probably meant that he spent some time there. From these, 2 more sons were recorded but no mention of them anywhere. It is possible that he gave them away or lost contact.

A scholar that attained Official recognitions after placing 9th in examinations), he was given Government Administrative Officer titles. Further titles were given to his sons upon donations to the Government.

Initially buried in the Provincial Capital, he was reburied later. This would mean that he was actually working in the Provincial Capital. He died young at 59 only.
