履仁公

誥授昭武都尉候選都司諱應騶號詠虞冠球

Great Grand Father - (14th Generation)

履仁公, third son of 冠球公.

Born: 1869 AD Died: 1956 AD (Age 87)

He left 3 sons and 2 daughters. Our Grand Father was his eldest son.
No records available for daughters.

Only 5 wives listed, supposedly there were more. Wife #4 (below -
second from left) is the most prominent, possibly because she stayed
with him for the longest time and outlasted him.

He gave away his third son (for adoption) to a first cousin who was
childless. This son's fifth daughter was involved in charities and
was awarded MBE (Member of British Empire) and Badge of Honour
distinctions from the Queen of United Kingdom.

Great Grand Father was a philanthropist and donated to various
Educational Institutes and Botanical Gardens in his Village. His
Village Mansion "Misty Habitat" Mansion (Below) was completed in
1927 and had many fruit trees. The first wife (born 1870 AD) was
buried there in a Marble Tomb with marble statues surrounding it.

A stone marker with the words "I shall be buried here when it is my
time" was standing next to the grave. This wish did not materialize
due to World War II and subsequent Communists rule. He was buried at
the Aberdeen Chinese Perpetual Cemetery in Hong Kong instead.
